

# OMNI TRAP ASSEMBLY INSTRUCTIONS

Product No. 2050216L  
and 2050216S

## REUSABLE TRAP FOR USE IN MONITORING FRUIT FLIES AND WASPS

### Components:

- A.** Trap base (yellow)
- B.** Trap top (transparent)
- C.** Lure receptacle cap
- D.** Liquid bait for *Drosophila* spp.  
sold separately (Product No. 2050215)

### How to assemble:

1. Pour liquid bait into yellow trap base.
2. Assemble trap top and bottom together and twist to lock in place.
3. Snap yellow cap onto lure receptacle.
4. Hang trap in desired location.
5. As liquid bait evaporates, top up liquid in trap base.
